Please return to training department no later than 3 weeks prior to your requested course. Requests received after the cutoff period will be reviewed prior to approval.

Please fax to Training Coordinator at 714-919-3318.

CareFusion reserves the right to cancel any course three (3) weeks in advance due to insufficient registration. Cancellations by students must be received three (3) weeks prior to the scheduled class date in order to obtain a credit for the course. Penalties may be applied if cancellation is received with less than a three (3) week notice.

Please wait to receive confirmation of your course registration before making any travel arrangements.
