Oxygen therapy products (cont.)

Masks

001201	AirLife adult medium-concentration, under-the-chin style mask with 7' crush-resistant O ₂ tubing, 50/cs.
001206	AirLife adult aerosol mask only, under-the-chin style, 50/cs.
001262	AirLife pediatric medium-concentration, under-the-chin style mask with 7' crush-resistant O ₂ tubing, 50/cs.
001263	AirLife pediatric aerosol under-the-chin-style mask, 50/cs.

Cannulas

001320	AirLife standard nasal cannula, flare tip, with 7' crush-resistant O ₂ tubing, 50/cs.
SFT2600	AirLife adult soft lariat cushion cannula with 7' crush-resistant O ₂ tubing, 50/cs.
SFT2602	AirLife pediatric soft lariat cushion cannula with 7' crush-resistant O ₂ tubing, 50/cs.
SFT2699	AirLife adult soft lariat cushion cannula with 7' U/Connect-It crush-resistant O ₂ tubing, 50/cs.
002600	AirLife adult cushion nasal cannula with 7' crush-resistant O ₂ tubing, 50/cs.
002602	AirLife pediatric cushion nasal cannula with 7' crush-resistant O ₂ tubing, 50/cs.
002699	AirLife adult cushion cannula with 7' U/Connect-It crush-resistant O ₂ tubing, 50/cs.
FM2600	AirLife adult cushion cannula with foam ear covers 7' crush-resistant O ₂ tubing, 50/cs.

Incentive spirometers

001901A	4,000 mL Incentive Spirometer with one-way valve
001902A	4,000 mL Incentive Spirometer
001903A	2,500 mL Incentive Spirometer with one-way valve
001904A	2,500 mL Incentive Spirometer
001905A	2,500 mL Pediatric Incentive Spirometer with one-way valve

Bronchial hygiene

510	vPEP Oscillating Positive Pressure Device
512	vPEP Oscillating Positive Pressure Device-HC

Respiratory complications of the flu include pneumonia, bronchitis, and exacerbation of asthma.¹

Vyaire products help you manage respiratory complications

Cat. no.	Description
Ventilation products	
Filters & HMEs	
001851	AirLife nonconductive bacterial/viral-retentive filter, 50/cs.
003003	AirLife heat and moisture exchanger (HME), large volume, 50/cs.
003005	AirLife heat and moisture exchanger with filter (HMEF), large volume with gas sampling port, 25/cs.
03021	AirLife bypass HMEF, 25/cs
03020	AirLife bypass HME, 25/cs.
557044500	Edith Flex HME, 25/pk.
557055200	Edith 1000 HME, 30/pk.
Ventilator Circuits & Active Humidification	
AH202	Adult heated circuit, single-limb with humidification chamber, 10/cs.
AH219	Adult single limb NIV heated circuit with chamber, 10/cs
AH280	Adult dual-limb heated circuit with chamber, 10/cs.
AH290	Auto-feed humidification chamber, 10/cs.
003769	AirLife smooth bore respiratory circuit without respiratory filter, 10/cs.
003770	AirLife smooth bore respiratory circuit with respiratory filter, 10/cs.
2D0735X	AirLife sterile water for inhalation in flexible bag, 1,000 mL, 14/cs.
2D0737	AirLife sterile water for inhalation in flexible bag, 2,000 mL, 6/cs.
CHB0010	AirLife sterile water for inhalation in hanging bottle, 1000mL, 12/cs.
CHB0020	AirLife sterile water for inhalation in hanging bottle, 2000mL, 8/cs.
